PAPE'S DIAPEPSIN" IS THE QUICKEST AND SUREST STOMACH RELIEF.

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache, you can surely get relief in five minutes.

Ask your pharmacist to show you here on business for the past few can surely get relief in five minutes.

Ask your pharmacist to show you the formula, plainly printed on these fifty-cent cases of Pape's Diapepsin, then you will understand why dyspeptic troubles of all kinds must go, and why it relieves sour, out-of-order stomachs or indigestion in five minutes. "Pape's Diapepsin" is harmless; tastes like candy, though each dose will digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to similation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but what will please you most, is that you will please you most, is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for billiousness or constipation.

This city will have many "Pape's Diapepsin" cranks, as some people will call them, but you will be enthusiastic about this splendid stomach preparation, too, if you ever take it for indigestion, gases, heartburn, sourness, dyspepsia, or any stomach misery.

Tuesday a valuable French clock disappeared from the office of Dr. F. A. Morrell. This was in an inner office, the door of which was locked, the key remaining in the lock. Evidently the thief turned the key in this lock, went into the inner office, and, having the whole place to himself at the time, investigated, and took the clock and some postage stamps.

Captain Murray located where the clock had been sold for a dollar and recovered it Thursday. The man who stole the clock has disappeared from town. It was also learned that the thief had offered to sell for a small sum a ring that looked valuable.

WRIT OF HABEAS CORPUS Served on Grandfather of Boy Whose Parents Are Divorced.

A writ of habeas corpus, the first eat has been drawn in Windham county in the past 20 years, has been served on August Danielson of Wood-stock commanding him to bring his grandson, Harold Klammer, 5 years old, before the superior court on Oct. 26, as it is alleged in the writ that the boy is unlawfully imprisoned. The case grew out of the fact that Herbert Klammer, father of the boy, received a divorce at Schenectady, N. Y., and was awarded the custody of the child by the court. The mother, Mrs. Mary Klammer, is now in Providence, but had previously been at the home of her father, August Danielson, in Woods stock, and left the child with him. William Fraser of South Main street has returned from a two weeks' hunting trip in the woods of New Brunswick, bringing back the pelt of a big black bear, which he killed while the animal was 35 feet up in a beech tree eating nuts. Mr. Fraser also got two deer on his trip across the border and a quantity of smaller game. He saw moose, but did not shoot at any.

The killing of the bear was an interesting affair. Mr. Fraser's attention was directted to the tree where bruin was feeding by the rustling of leaves. A shot from Mr. Fraser's attention was defined to bring the bear down, nor did a second apparently well placed shot. Seeing that the bear did not seem incline to come down, Mr. Fraser let the animal have another bullet and was amazed that it is remained in its position. Investigating, he found that all three shots had taken effect. The bear, however, had fallen astride a crotch in the tree, lind legs hanging down one side, fore legs down the other, and was firmly lodged there high in the air.

Gestting down a 500-pound carcass was not to be thought of by Mr. Fraser's legs down the tree.
